Pico MK5 Media Player

NEW!

Manage your digital signage from a single platform enabling you to send content quickly and easily

Alerts	Posters	Clocks	HTML	Social Media	QR Code

Movies & Videos	Photos & Slideshows	Virtual Triggering	Animated Text	Instant Messaging	News Feed

The PICO MK5 is a functional media player supporting everyday digital signage requirements.

CLOUD INTERFACE
Connect player and screen to your cloud interface to manage content remotely.

100S OF TEMPLATES
Hundreds of templates to edit and redesign or create your own.

ADMINISTRATOR ACCOUNT
Assign an administrator to control all screens through one central account.

SUB-USER ACCOUNTS
Sub-user permissions eg. edit only or edit and publish.

SCREEN GROUPING
Group screens to send targeted messages to various audiences.

ADVANCED SCHEDULING
Create a playlist to display content based on time, dates, seasons.

INSTANT MESSAGING
Instantly send a single message to screens.

VIRTUAL BUTTONS
Send emergency messages with a single click from a personal device.

QR CODES
Engage with your audience by empowering them to change pre-designed content on screen and take-away information via automated URL browser download.
